

Life & Legacy Plan

Case Statement

Since our inception in 1856, Keneseth Beth Israel (KBI) fosters a thriving, growing center of traditional Judaism in Richmond. We nurture personal Jewish growth and religious observance and create community connections. KBI is the spiritual home for our congregants and for all Jews in Richmond.

KBI provides a vibrant, positive approach to Jewish life and the building of community. We offer programming for people of every age and level of knowledge as a way of increasing engagement with each other and our Jewish family. Whether through life cycle celebrations or to support one another during life's challenges, KBI is always there for its congregants.

Our legacy donors are individuals just like you who want to fulfill our promise to future generations of Jews in Richmond to continue our vibrant shul as a place of worship, spiritual growth, and lifelong learning. By creating a legacy, you will plant the seed from generation to generation – L'Dor V'Dor – making a difference for many years to come.

Please join our Legacy Chai Circle. By doing so you will:

- Help ensure that Richmond always has a traditional synagogue
- Make a difference for those who want a Jewish center for Torah study and living a Torah
- Ensure the spiritual 'home' and needs of Jews of all ages
- Provide a place where individuals can express their commitment to Israel
- Continue programming to meet the growing needs of our community
